Quarterly Economic Survey Q3

What's really happening in your business right now?

What are your biggest concerns? Where are you seeing opportunities? Are rising costs, recruitment challenges or the wider economic environment affecting your plans?

The Cambridgeshire Chamber of Commerce **Quarterly Economic Survey (QES)** is now open, giving businesses across #Cambridgeshire and #Peterborough the opportunity to share what they're experiencing on the ground.

The more businesses that respond, the stronger and more representative the picture we can build of our regional economy – helping to ensure the voice of local businesses is heard by policymakers and decision-makers.

 **Share your views and help shape the conversation around the issues affecting businesses today.**

The survey takes just a few minutes to complete.
